Subject: managing Gold King mine FOIA responses

Hi Becky –

Thanks again for your assistance with the Gold King FOIAs and your leadership on the call today. Alan, our regional FOIA Officer, will be getting information on new FOIA requests to you as we get them. Otherwise, I'll be the point of contact for the FOIA response for R8, though of course will be working closely with Alan and probably many others here. We'll plan on speaking Friday, but please let me know if there's any info we can provide in the interim.

Michael Boydston

Associate Regional Counsel, EPA Region 8
